

## **ACADEMIC HOSPITALISTS**

Yale University School of Medicine, Section of General Internal Medicine and Yale-New Haven Hospital are recruiting Academic Hospitalists. These individuals will have direct patient care responsibility at Yale-New Haven Hospital, significant teaching responsibilities with the internal medicine residency programs, medical and PA students, and protected time for scholarship in the areas of patient care, quality improvement and medical education. Applicants must have demonstrated excellent patient care and teaching skills, commitment to scholarship in Hospital Medicine and be BC/BE in Internal Medicine.

Interested candidates should send a CV, letter of interest and names of three references by November 15 to: Sarwat Chaudhry, MD, Associate Professor, Section of General Internal Medicine, Yale University School of Medicine, P.O Box 208093, New Haven, CT 06520-8093.

Yale is an Affirmative Action/Equal Opportunity Employer. Women and members of minority groups are encouraged to apply.
