

## **Job Opportunity in Medical Administration/Quality/Patient Safety**

Harbor-UCLA Medical Center is currently searching for an academic physician for the position of Patient Safety Officer. The position is 30-50% clinical as a faculty member in the residency program corresponding to the candidate's medical specialty. 50-70% of the position will involve managing a variety of programs to promote patient safety, improve the quality of care, and interdisciplinary communication processes.

This position will require work in committees, program administration, interdisciplinary teaching and project management. Strong preference will be given to candidates with demonstrated interest, experience, and/or training in medical administration. The position can be structured commensurate to the candidate's experience. This could be an excellent entry-level position for a physician administrator, or could be structured for someone with moderate or extensive experience in this area.

Interested individuals should contact me directly at [ccoil@dhs.lacounty.gov](mailto:ccoil@dhs.lacounty.gov) (310) 222-2173.
