

NCHS/AcademyHealth Health Policy Fellowship

The deadline for this round of applications is **January 5, 2015**; and below are the fellowship details:

Title: NCHS/AcademyHealth Health Policy Fellow **Location:** Hyattsville, MD, USA

Keywords: health policy, fellowship, statistics, NCHS, Maryland, federal government, CDC, data, health services, health services research, quantitative data analysis, health economics, health statistics

Deadline Date: 1/5/2015

Description: The NCHS/AcademyHealth Health Policy Fellowship fosters collaboration between the National Center for Health Statistics (NCHS) staff and visiting scholars on a wide range of topics of mutual interest as well as projects of interest to policymakers and the health services research community. NCHS, the survey branch of the Centers for Disease Control and Prevention (CDC), provides statistical information that helps guide actions and policies to improve the health of the American people. Selected Fellows will conduct new and innovative analyses and participate in developmental and health policy activities related to the design and content of future NCHS surveys during the 13-month fellowship at the NCHS headquarters in Hyattsville, Maryland.

All applicants must demonstrate training and/or experience in health services research and its methodology, especially quantitative data analysis, reflecting disciplines such as public health, public administration, health care administration, sociology, nutrition, health economics, health statistics, or the health professions (e.g., medicine, nursing, dentistry).
