

## **Mount Sinai School of Medicine seeks Assistant Professor**

ASSISTANT PROFESSOR. The Department of Health Policy at the Mount Sinai School of Medicine in New York City seeks an individual for a tenure-track appointment to conduct research related to health disparities. The individual would be expected to maintain a strong focus on collaborative research. He/she would have an opportunity to become an integral part of several federally funded community-based participatory research projects and centers related to diabetes, obesity and cardiovascular disease, and to pursue investigator-initiated research.

Initial review of applications will begin immediately. Expected start date: Summer 2009. Required qualifications: MD with research fellowship training, or Ph.D. or terminal degree in health psychology, applied behavioral science, nutrition, or public health; evidence of ability to develop and fund an exemplary program of empirical research.

Applicants should submit a current curriculum vitae to:

Carol Horowitz MD, MPH

Associate Professor, Department of Health Policy

Associate Professor, Department of General Internal Medicine

1425 Madison Avenue

NYC, NY 10029
