

Seeking 3 FM Faculty in Miami: SDOH, CBPR and Community Based Practice

The Florida International University College of Medicine seeks three (3) founding faculty to join the Division of Family Medicine in the Department of Humanities, Health and Society. The primary responsibility will be supervision of medical students in the longitudinal four-year "Medicine & Society / Family Medicine" curriculum, including clinical and home settings. The first class of students enters in August, 2009. Faculty will be responsible for teaching clinical skills, social determinants of health, social accountability; as well as clinical care, and helping to build and expand the department.

Interested applicants must apply online at www.fiujobs.org to position 41700. Candidates should have or be eligible for a valid Florida Medical License, completed a residency in Family Medicine, and be board eligible/certified in Family Medicine. Applications for each position are accepted until positions are filled.
